The ho- quarters, is about complete, and the rigorous provisions for enforcing it, that electricity will accomplish much men dying upon the threshold of the The Excelsior restaurant, at the de- erous Chinese lanterns, which, swing. position to-day and to-morrow. The unday, May 1, and our neighboring twentieth century will be dezzled by

fact as anything can be which has not

Tombstone Mining Notes. [Condensed from the Epitaph.]

The Vizina is yielding \$61 ore at 138 teet in depth, with prospect of an immense body being opened. The Mamie shows a fine vein, per-

folly of attempting to regulate the tastes and habits of a community by fectly defined and unbroken, at 185 legislative statutes. The rigorous feet, and with assays running from nature of the law and its serious \$138 to \$610, the ores being chlorides interference with vested rights render a vast brood of lawsuits under it certain. There are several costly distil-

plentifully coated with horn silver.

A rich strike of efflorescent gold is reported in the Head Center, that as-

Speriff's Sale. BY VIRTUE OF AN EXECUTION issued out of the Justice Court of Trevor Lloyd, a Justice of the Peace of Precinct No. 15 in and for Pima county, A. BY VIRTUE OF AN EXECUTION lot of land situate on the northwest corner of Mann street and Joseph avenue in the village of La Noria, being 175 feet on said Main street and one hundred feet on said Joseph avenue, all of said property being situate in the village of La Noria, country of Pinas, the same being the property of said defendants, co-partners. And notice is hereby given that on WED-NESDAY, the loth day of June, A. D. 1881, at 10 o'clock a. m., in front of the court House door, in the city of Tucson country of Pinas, A. T., I will sell all the defendants', H. Fuller and J. K. Luttrell's defendants, H. Fuller and J. K. Luttrell's First, one of the posteries are one of said described property to the highest and best First District Cours, Price Cours, Art one bidder to satisfy said execution and all costs.

R. H. PAUL,
Sheriff of Pima county, A. T.
Sheriff a Office, Thomas May 28, 1821.

og packets were the only Vessels in Sheriff's Sale. high the Atlantic c aid be crossed A thirty days' voyage was considered BY VIRTUE OF AN EXECUTION IS quick top between New York and D such ont of the District Court, First du-ichel District, Artsons Territory, in and ton the County of Films, to me directed and deverpool. When steamers were firs arroduced they ran only between dostor and the British coast, and the eutre, in a certain sector where in Pedra-guirre, plaintiff and the Durre Townsend Arizona Mining and Wineral Land Company rice of passage was \$300. Ticketum, and the improvement in special said Court on in Edd may of April, A in 1841, as been equanty great. The trip to Qurenstown has been made in about seven days. But this exceptional special error thereouse the rate of temper court, per court even days. But this exceptional speed and the fact of the particle and the public wants, and animal thin paid, together with minuted's cost, and the discrete and the discrete and disturgements at the discrete and the fact animal solution and 20100 documents and according costs, i have a 20100 documents to the following described property. The steamers will control and millionia the statements at the discrete with minuted's costs and disturgements at the fact of an per cost, per animal thin paid, together with minuted's cost, per animal thin paid, together with minuted's cost, per animal thin paid, together with minuted's cost, and distributements at the discrete animal fact animal thin paid, together with minuted's cost, and distributements at the discrete animal fact animal thin paid, together with minuted's cost, and distributements at the discrete animal fact a rantzed in great Britain, designed to ake the regular passage between difford Haven and New York within week. The steamers will carry only said Tims County, and more particularly bounded and described as follows: Commencing at a stake fourteen hundred and twenty feet, 18 deg. 12 min, southerly from the north east corner of buck 162 in Artunes townsite; thence running southerly eight hundred and thirty three-feet four inches to a stake on the southwest corner of said mill site, these southwest corners of said mill site, there were considered or of the per cent per a southwest corners of said mill site, these cable, passengers and high cos freight. With a large consignment of passenhey ought to make money. A large proportion of the passengers eat little day or two. Should these ocean express trains be perfected, the time there in one ten stamp gold and sliver quartz mill, buildings and waier rights thereto be longing or in any wise apperating. And notice is hereby given that on THURSDAY, the 9th day of June. A. D. 1881, as said quartz mill, near the town of Arivana, County of Pluna and Territory of Arizona, I will sell all the right, title and interest of the said defendants in and to the above described property to the highe-t and best bidder for cash, in legal currency, to satisfy said execution and all costs.

R. H. PAUL, Sheriff. Sheriff's Office, Tucson, Pima County, A. T.,

[From the Sau Prancisco Post.] There is nothing so noble and ouching as a really spontaneous act generosity, after ail. The other ay, a rough, careless-looking strang er was walking up Mission street, near Sixth, when he observed a lot of oodiums clustered around the gate of a small frame house, in front of which a poor woman was weeping outerly, surrousned by her terrified children. A scanty array of housenoid goods on the pavement showed
